The screenshot shows the registration interface of the XAG app. At the top, the status bar displays the time 08:56, signal strength, and 4G network. The app header includes a back arrow, the text '注册账号' (Register Account), and a camera icon. The registration form consists of three main sections: 1. Phone Number: Labeled '手机号' (Mobile Number), it includes a dropdown for country code (currently showing '+86') and a text input field. A red arrow labeled '1' points to the country code dropdown, and a red arrow labeled '2' points to the input field. 2. Verification Code: Labeled '验证码' (Verification Code), it includes a text input field and a blue button labeled '发送验证码' (Send Verification Code). A red arrow labeled '3' points to the '发送验证码' button, and a red arrow labeled '4' points to the input field. 3. Password: Labeled '设置密码' (Set Password), it includes a text input field. A red arrow labeled '5' points to this field. Below the form is a large red button labeled '同意协议并完成注册' (Agree to the agreement and complete registration). Below this button is the text '已阅读并同意以下协议 《用户须知》' (I have read and agree to the following agreement 'User须知'). A red arrow labeled '6' points upwards to this button. At the bottom of the screen is an Android navigation bar with back, home, and recent apps icons.
